DECO

New Knob & Plate without Keyhole

Old Hollywood, the Jazz Age, and The Great Gatsby come to mind with just one glance at the Deco plate in the Nostalgic Collection.

And now our Deco plate is available with a matching Deco knob! Previously only available in Bright Chrome and Polished Brass Finishes, customers can now choose the Deco family in Antique Brass, Antique Pewter, Oil-Rubbed Bronze, Satin Nickel and Unlacquered Brass.

We've also made the Deco plate available with or *without* a keyhole.

PRAIRIE

New Plate without Keyhole

A legacy of Craftsman austerity, Prairie emerged around 1915 as an alternative to more elaborate Victorian designs. Our solid brass version is a testament to those who believe that less is more. Prairie is now offered in all finishes, including Bright Chrome (right), and looks stunning with many of Nostalgic's knob combinations.

We've also made the Prairie plate available with or *without* a keyhole.
